

SUMMER HOMEWORK FOR
SPANISH AP 1
Micheletti
Fall 2017

- Practice and Review- It is vital that you continue your study of Spanish over the summer. Although you won't have your textbook, you should be able to use your notes from class. You may also find some of these resources interesting and helpful:
 - www.studyspanish.com – Internet site that reviews basic grammar and vocabulary in Spanish. Has online quizzes available for free.
 - www.conjuguemos.com- Has practice activities for conjugating verbs.
 - Newspapers in Spanish- Many newspapers in Spanish speaking countries are available online. A few that have international news are:
 - www.bbcmundo.com
 - www.abc.es
 - *501 Verbs in Spanish* – A reference book that has nearly every verb conjugated for you. Available at most bookstores.
 - Spanish TV/movies - Try to watch or listen to as much Spanish as possible. Kids programs are especially helpful for listening (Sesame Street and Blues Clues). Or, look for DVDs that have Spanish language tracks and watch some of your favorite movies in Spanish.

Summer Assignment

1. Short Answer Questions - Due August 16th – 15 points

Answer each of the questions in your own handwriting (please do not type them) and pay special attention to the verb forms that are recommended for each answer. Each of your answers should be between ½ to 1 page of binder paper. Do your best to spell and write correctly without the assistance of electronic translation sites, and be sure to proofread as these will be read and graded at the start of school.

2. Artículos de NEWSELA (5 artículos) – Due August 16th – 20 points

<https://newsela.com/quickjoin/#/VZCZ73>

Use the following link and make yourself an account on the website, NEWSELA. Over the summer read at least 5 of the articles that are assigned in your Binder. If there are words you don't know highlight them and make an annotation off to the side. After reading each article, take the quiz that is provided. Don't be discouraged if the quizzes seem difficult. You will be getting credit for completing the activities not for how well you do on them.

If you have questions over the summer, you may contact me through the school office (558-2399) or leave a note in my box in the main office. You may also e-mail me at rmicheletti@smuhsd.org.

Hasta el 16 de agosto,

Sra. Micheletti
